

NSW Office of Environment and Heritage

BAM Assessor Update Number 4

August 15, 2018

1. **Topics Covered:**
 2. **Reasonable credit equivalence**
 3. **Accredited Assessor Forums**

Reasonable credit equivalence

Please note the webpage for assessing the reasonable equivalence of biodiversity credits associated with an existing offset obligation is now live:

<http://www.environment.nsw.gov.au/biodiversity/reasonable-equivalence-assessment.htm>

On this page you will find a link to the application form and information about the reasonable equivalence process and the Statement of Reasonable Credit Equivalence that is issued.

Accredited Assessor Forums

Please remember to register via Eventbrite for the upcoming Accredited Assessor Forums scheduled to be held on 4 and 13 September in Sydney and 5 September in Newcastle (link <https://www.eventbrite.com.au/e/accredited-assessor-forums-tickets-47905937950?aff=ebdssbdestsearch>).

We would also appreciate your feedback via the below Survey Monkey link by **Friday 17th August 2018** to help refine the agenda for the day.
