

Order conferring Biodiversity Certification – Jacaranda

Under section 126H of the *Threatened Species Conservation Act 1995* pursuant to clause 37 of the *Biodiversity Conservation (Savings and Transitional) Regulation 2017*

Under section 126H of the *Threatened Species Conservation Act 1995* (**the Act**), pursuant to clause 37 of the *Biodiversity Conservation (Savings and Transitional) Regulation 2017*, I Michelle Dumazel of the Environment, Energy and Science Group, as delegate of the Minister for Energy and Environment, confer biodiversity certification on the specified land.

Under section 126P of the Act, I have determined on the basis of a biodiversity certification assessment that the overall effect of biodiversity certification is to improve or maintain biodiversity values.

Under section 126Y of the Act, I specify the measures listed in Schedule 3 as approved measures, and the timing for implementation of those measures, under this biodiversity certification.

Under section 126Z of the Act, I identify the parties to the biodiversity certification in Schedule 4.

Under section 126ZA of the Act, biodiversity certification of the specified land takes effect from the date of publication of this order in the NSW Government Gazette and remains in force indefinitely.

Note: This order is made in relation to an application for biodiversity certification made under Part 7AA of the Act (**Application**) pursuant to clause 37 of the *Biodiversity Conservation (Savings and Transitional) Regulation 2017*. In accordance with clause 37(4) of the *Biodiversity Conservation (Savings and Transitional) Regulation 2017*, the biodiversity certification is taken to be biodiversity certification conferred on the specified land under Part 8 of the *Biodiversity Conservation Act 2016*.
