Privacy statement

This application form contains information that identifies you and is defined as 'personal information' under the NSW *Privacy and Personal Information Act 1998* (PIIP Act). The Department of Planning, Industry and Environment collects and manages the personal information you provide in accordance with the PIIP Act. The Department will not use personal information except for purposes listed as exemptions in the PIIP Act.

Information supplied on this form will be used by officers of the Department to assess your application. Information collected by the Department may be disclosed to third parties for the purposes of confirming information provided by you in this application, and for law enforcement purposes. Personal information collected by the Department will be stored securely and disposed according to the Records Management Policy. You have a right of access to modify and/or update your personal information.

For further information or enquiries regarding privacy or access to your information, contact a Right to Information/Privacy Officer on 02 9860 1440 or privacy@dpie.nsw.gov.au

Public register

As required by the *Biodiversity Conservation Act 2016*, a public register of biodiversity conservation licences will be published on the Department website. The public register will **not** include personal information of individuals (e.g. name, postal and email address, phone number and date of birth). Information about the location of plants and animals covered by licences will be restricted to postcode.

Offences

It is an offence to provide false or misleading information in applications and documents in connection with matters under *the Biodiversity Conservation Act 2016*.
