

Winter Waste Collection Service Perisher and Smiggin Holes

From Wednesday before the start of the ski season
To Wednesday after the end of the ski season

Bags supplied by NPWS will be left in your waste hut prior to the start of the ski season.

- All four waste streams will be collected from your waste hut within three days.
- All other waste should be taken to Jindabyne landfill – this includes, ski gear, fluorescent tubes and building waste.
- Maximum bag weight 15kg.
- Cooking oil is to be stored and sealed in its original container and left in your waste hut.
- Tie bags with a knot.
- No sharps.
- Don't leave waste on the snow.
- Don't leave loose/unsecure waste.
